

President's Note:

Happy Fall Y'all!!!!

I almost froze this morning while sitting outside in 52 degrees with a 20-mph wind but it was a glorious morning for a granddaughter's soccer game. I hope we've seen the last of the hot weather and promise not to complain about any cold weather – at least for a while 😊.

News 'on the hill' is that everyone is being especially productive and clearing out all of those project boxes that tend to stack up from time to time. My sister and I have been working on a special project for the last year and we think we're almost finished. Mind you, we've had scope creep multiple times so I hope I'm not jinxing anything by saying we THINK we're close to the end.

Some of the things the Board will be talking about in the next meeting, which is scheduled for Thursday, are the Raffle Quilt marketing, updating our By-Laws, the December meeting, and the quilt show. The entire membership is welcome to attend so please let me know if you need the link to the meeting. Otherwise, we'll update everyone at the meeting on October 5.

If you haven't paid your dues yet, get them to Tracy asap. You're running out of time!

Stay safe,

Marty

Note:

On September 11th, I sent out an email with a forwarded message from Ms. Brixius regarding Easton Elementary School's need for a washer and dryer.

I made a small donation, which was matched, and hoped that maybe someone I sent the message to from two quilt guilds would do the same. On September 15th I got a message from Ms. Brixius that they were able to get the word to enough people to make their goal, and so quickly!
If you had a part in this, THANK YOU!
